Getting to Capri

High speed and other ferries to Capri depart from Naples and Sorrento. In the summer months, sea crossings are also available from **Positano, Amalfi, Salerno** and the island of **Ischia**. Ferry schedules are subject to change, so it's always a good idea to double-check before your travel date.

You can also buy tickets online: we suggest buying them in advance especially in July and August and during official holidays when ferries from/to Capri are very crowded! If you prefer to buy tickets at the port, during summer we recommend arriving at the pier in advance.

For much of the year, you will be not able to take your car to Capri. In any case, the island is largely pedestrian and a car is of very little use here.

Getting to Capri from Rome

From Roma Fiumicino Airport: from Fiumicino airport, the quickest way to reach Rome's main Roma Termini railway station is by the Leonardo Express train. ①

There are three categories of train: ③

- **Eurostar Freccia Rossa (TAV)**: by far the fastest option, the journey between Rome and Naples by Freccia Rossa train takes little more than an hour. Tickets cost about 40.00 euro.

- **Intercity**: the journey Rome- Naples by Intercity takes about two hours. Tickets cost about 20.00 Euro.

- **Interegionali**: with tickets costing just over 10.00 euro, the Interegional train is the cheapest choice. The downside is that the journey Rome-Naples takes a whopping four hours.

From Roma Ciampino Airport ② take a bus to Rome's Roma Termini railway station and proceed as above.

You can expect to take at least three hours to reach Capri from Rome, considerably longer if you happen to miss a connection.

Getting to Capri from Naples

Naples has two ports from where to catch boats to Capri: **Molo Beverello** and **Calata di Massa**. Molo Beverello is situated directly opposite the city's Maschio Angioino castle. Calata di Massa lies just slightly to the East (i.e. to your left when you face the sea).

High speed ferries depart from Molo Beverello, ferries, and slow ferries depart from Calata di Massa. Vehicles are transported by ferry and slow ferries only. Times and prices change frequently: always check crossing times before heading to the port.

Getting to Molo Beverello from Naples'Capodichino Airport

Bus: immediately outside Terminal 1 (where all incoming flights land) you'll find the Alibus: ④ the coach which takes passengers to the center of Naples and stops at both **Piazza Garibaldi** and **Piazza Municipio** (this latter only a three minute walk away from Molo Beverello). The journey takes approximately 40 minutes.

Taxi - the taxi stand is located outside Terminal 1. Ask the driver to apply the fixed rate to the port (approximately 20.00 euro). Avoid anybody offering taxi services inside the airport: we guarantee they will not be licensed taxi drivers.

Getting to Molo Beverello from Naples' train station

Take a taxi! Although buses and trams run regularly from the train station to the port, they are always extremely crowded and there is no way of knowing when to get off. In addition, you will need to cross the entire piazza to reach the bus stop. The fixed taxi fare to the port is about 10.00 euro.

Getting to Capri from Sorrento

High speed and other ferries depart from **Sorrento's Marina Piccola** port on a regular basis. The journey takes less than 30 minutes and crossings are frequent, especially so in the summer season.

You can catch a bus to the port from the center of Sorrento, or make your way on foot, walking down the steps which start in **Piazza Tasso**.
